

Press Release

Ribbon Cutting Ceremony

Pittsburgh, PA, August 14, 2019 — Projex IMC is pleased to announce the completion of major renovations at our Small Business Technology Center in Aliquippa, Pennsylvania. In recognition of our commitment to the local community, the Beaver County Chamber of Commerce has sponsored a ribbon cutting ceremony scheduled for September 19, 2019 at 12:30 pm ET.

Local elected officials, members of the media and representatives from our local business community are invited to attend. Projex IMC will hold an open house in conjunction with the ceremony (from 12:00 pm through 2:00 pm ET) to showcase the significant investments made to the facility, which is located at 2608 Brodhead Road in Center Township (Aliquippa), Pennsylvania.

About Projex IMC:

Projex IMC is a Pittsburgh-based technology company that supports digital business transformation through a combination of integrated support services, cloud-based digital business transformation platforms and on-demand talent solutions. Our Small Business Technology Center and Integrated Management Center helps clients execute high performance across all major functional areas of their business ... from strategy development through sales, marketing, information technology and human capital management.
